### 7) What did you like most about this meeting?

Comment: 5    No Comment: 20

# dialogue)))

- Content and information shared...it was transparent
- I didn't know about what school council is, today I learned a lot about how schools work. Thank you for that.
- The way funds are invested to add right requirement of the school.
- The meeting was informative and transparent.
- I liked how you guys talked about the attendance, how it's important to come to school everyday.

## 8) What did you like least about this meeting?

**Comment: 4    No Comment: 20**

- Everything shared was useful.
- Other curriculum activities like sports, engagement of kids who are good and has high sprit in playing sports.
- Nothing stood out as the least
- Everything was very good! There's nothing I didn't like.
